MINISTRY UPDATE FROM MISSIONARIES KELLY & CYNDI ROBINETTE

SUMMER 2023

Assemblies of God World Missions

## *Help Send Us Back!*

We are so grateful for the faithful support that helps in ministry with the Cambodian people. We have been back in the USA for the past three months raising funds and support to return to Cambodia and continue the ministry. We currently need **\$350.00 in monthly support**. Please consider helping us in a monthly commitment [Assemblies of God World Missions Online Commitment Form - e10s \(agwm.org\)](#) or a one-time gift to help us get back to the land of our calling and continue ministry for another term. [See account information below.](#)

## *Children's Hope Center Churches Needed*

We praise the Lord for a generous offering that will help us purchase land for two of our Children's Hope Centers. Please *pray* for the team that the Lord is putting together to come out and help begin the building of this facility in February 2024. If you are interested in joining this team or help plan another construction team please contact us.
